

Mostly Waving

Young,
thought as I was
thought as I was
thought as I was

Done,
thought as I was
thought as I was
thought as I was

oooooooohhhhhh

Get,
get the line down
get the line down
get the line down

don't elaborate like that
you'll frighten off the frat boys
use your baby talk
frighten off frighten on

oooooooohhhhhh

This fall the blues are brown
so turn your horse around NOW,
the blues are brown!

Missing, mostly waving
thought as I was
Young,
thought as I was
Done,
thought as I was
